### Further information:

This is a primary teacher development course for teachers of English teaching young learners aged 7 to 11 years old. It provides an introduction to the essential principles and practice of primary English language teaching. The course takes about 3 hours a week over 12 weeks and aims to help teachers:

- identify some of the key areas associated with teaching English to children
- identify key techniques for using songs and games to enhance children's learning
- understand how different learning styles affect the way we learn and identify different techniques for exploiting different learning styles
- define how lesson planning is linked to syllabus and curriculum and explain how the curriculum can define what and how you teach
- identify a variety of classroom management factors which affect the learning conditions in the young learner classroom

### Assessment

Participants are assessed at the end of each unit, and these assignments form a portfolio on which the participants are given a final assessment of distinction/pass/fail.

### Certificate

Participants successfully completing the course will receive a certificate.
